

Basic Self Defense & Weapons Handling

We require all of our clients to complete this basic prerequisite training course. The Basic Self Defense and Weapons Handling course provides you with a short lecture on self defense and mind set then private training in the use of a handgun and concealed carry. The course includes private instruction, course materials, targets and certificates. This course meets and exceeds the requirements of Florida's Carry Concealed Weapons law. Upon successful completion of this course you will be entered into the HTSG client list which gives you the authorization to enroll in future courses such as personal home defense and all tactical weapons courses.
