

Advanced Dignitary Protection

This course is a comprehensive 5 day Advanced Dignitary Protection training program. This course is designed to sharpen and test the skills learned in the Basic Dignitary Protection Course. This course will enhance your skills and abilities in firearms, defensive tactics, threat response and dignitary rescue. This course focuses on small unit Dignitary Protection tactics. Tactics and techniques taught during this course are combined with realistic training scenarios designed to test and evaluate the student's ability to react under combat stress. This course has several scenario based exercises designed to test the student's ability to apply the knowledge and skills learned during this course.
