

## Tactical Team Entry Training

The Tactical Team Entry Training Course is designed to put your Team's tactics to the test. This course can be tailored to provide a challenging environment where experienced tactical teams can put their SOPs to the test or assist newly formed tactical teams in developing and establishing well grounded SOPs. Extensive use of Simunition marking cartridges will be used during this course. Being physically fit is recommended for this course due to the high training tempo and physically challenging curriculum.
